

Bensalem Township Country Club

Position Announcement: Assistant Golf Course Superintendent

Position Summary

Bensalem Township Country Club is seeking a passionate, dedicated, and highly motivated **Assistant Golf Course Superintendent** to join our leadership team. Working directly under the supervision of the Golf Course Superintendent, the Assistant Superintendent will play a key role in directing, planning, and participating in the daily maintenance and operations of the golf course, grounds, and surrounding facilities.

This is an excellent career opportunity for a driven individual seeking to advance their career in agronomy and golf course management within a dynamic, municipal country club setting.

Essential Responsibilities

- Assists in planning, scheduling, and supervising the daily maintenance of greens, tees, fairways, roughs, and bunker complex areas.
- Directs, trains, and leads daily operations for full-time and seasonal grounds crew members.
- Oversees and performs chemical and fertilizer applications, ensuring accurate calibration and safe pesticide handling in compliance with state regulations.
- Monitors, maintains, and operates irrigation systems, drainage infrastructure, and pumping stations.
- Instructs crew members on the safe operation and care of mowing and specialty turf management equipment.
- Assists with personnel management, safety training, daily task assignment, and performance evaluations.
- Maintains accurate, comprehensive operational and chemical application records.
- Serves in the capacity of the Golf Course Superintendent during their absence.
- Assists with winter maintenance operations, including snow removal on course and Township property as needed.

Candidate Qualifications

Education & Experience

- Certificate, Associate, or Bachelor's degree in Agronomy, Turfgrass Management, or currently enrolled and pursuing.
- 2–3+ years of progressive golf course maintenance experience preferred (recent turf

management graduates are also encouraged to apply).

Skills & Requirements

- Possession of, or ability to obtain, a valid Pennsylvania Pesticide Applicator License within 90 days of hire.
- Valid Driver's License.
- Strong working knowledge of turfgrass maintenance practices, chemical application calibration, and water management.
- Demonstrated leadership, communication, and organizational skills.
- Ability to work a flexible schedule, including early mornings, weekends, and holidays during the playing season.

Benefits Package

- Competitive Salary: \$60,000 per year and commensurate with experience.
- Comprehensive Municipal Benefits Package (Health, Dental, and Vision coverage).
- Paid Time Off (PTO) and Holiday pay.
- Township 401A / Retirement options.
- Paid GCSAA & PAGCS dues
- Educational development opportunities.

How to Apply

Interested candidates should submit a cover letter and resume detailing their experience and qualifications to Kelly Newhouse via email:
